FR 11

Our production of **FISHING RIGS** is 6-7 m. and branch line is 80-90 cm.

We offer different length of plastic winders: cm. 14/16/18/20/25.

The basic point of our fishing rigs is that we don't have fixed items we follow any customer request regarding shape and size of floats, diameter and length of monofilament, size and shape of hooks, number of shots, length of plastic winder etc.

In one word: **WE PRODUCE FISHING RIGS FOLLOWING YOUR REQUESTS AND SPECIFICATIONS.**
